Medical Tourism

Medical tourism is a developing concept whereby people from the world over visit India for their medical and relaxation needs. Most common treatments are heart surgery, knee transplant, cosmetic surgery and dental care. The reason India is a favorable destination is because of its infrastructure and technology which is in par with those in the US and Europe. India has some of the best hospitals and treatment centers in the world with the best facilities. Dehli is home to the first Indian hospital, Indraprastha Apollo, to receive the Joint Commission International (JCI) USA accreditation, the gold-standard in hospital certifications worldwide.

Apollo Hospital is located in Dehli where our travel agents can assist you with all of your travel needs. We will pick you up at the airport and find you a hotel that will fit both your budget and needs. We will also arrange for your transportation to and from the hospital. We can even arrange for tours before and after your hospital stay.
